Postscript

This book is dedicated to Fr. Quirino De Ascaniis who celebrates his 100th birthday in the same year the PIME community marks the 150th anniversary of its arrival in Hong Kong. Fr. Quirino has spent 75 years in Hong Kong, and has met most of the PIME missionaries whose work has been narrated through images and words in this book. We hope that many more will continue this mission in Hong Kong and China.

Fr. Quirino De Ascaniis, the eldest missionary of the whole PIME Institute, portrayed at St. Joseph's Home for the Aged in Sheung Shui.
